**Vision Statement
for the
Development
of a
Prospect Heights City Center**

A Vision for the Development and Re-Development of a Prospect Heights City Center

Introduction

At its February 16, 2017 meeting THE Prospect Heights Strategic Directions Committee (SDC) undertook the task of developing a vision statement that would be basis upon which planning and execution of a City Center development and re-development would be based. For years, there had been discussion of this concept but little systematic planning as what it should be and how it should be implemented. The Mayor noted that what is needed is a vision of what we want to accomplish. As a result, this task was undertaken by the Strategic Directions Committee (SDC).

Initially the SDC posed the question was addressed "Should there be a Prospect Heights City Center?" The answer was a unanimous "Yes". It was further stated and approved that there should be a multi-phased action plan that will also incorporate the actions and recommendations of the Comprehensive Plan. Thus, the following was approved as the direction to take:

- **Phase I** Conceptualize a Prospect Heights City Center Plan that would be developed by the SDC and presented to the City Council for review and approval and presented to the public for comments and input. The expected completion date for this phase would be the Spring of 2017.
- **Phase II** Engage a Land Developer to evaluate the vision approved by the Council and to advise what is and is not possible given the geography of proposed City Center sites. A marketing consultant specializing in potential sales and revenue realization by selling of a City Center to advise what is feasible given the proposed City Center's capacity and location. The results will be reviewed and evaluated by the City Council with the Vision of the City Center Plan adjusted accordingly. The basis for this review will be the Council approved Vision Statement.
- **Phase III** Implementation (property acquisition, finding definition, deconstruction, user acquisition, projected revenues and other relevant items. This phase will require future definition and precision.
- **Phase IV** Evaluation of the project results

Constructing the Vision Statement

The SDC addressed this matter by answering the following statements:

1. In five years (2022) the PH City Center Plan will incorporate and have implemented the following the following elements of the Plan
2. In ten years (2027) the City will have developed and implemented the PH City Center with the following items:

The City Center Proposed Vision Statement

Where is the Center?

By 2017-18 the City will make a final determination as to what and where the City Center will be located. There are two possible geographic areas. Among the areas discussed were the following potential geographic areas. The first is the area around Route 83 and Camp MacDonald Road. Most people consider this to be the natural location. In fact, an argument could be made that what has happened in this geographic area already has the beginning of the development of the City center.

The other potential areas for a Center and/or redevelopment are the following:

1. Area by the commuter station

2. Area on the southwest corner of Sanders and Palatine Road.

During 2017 and 2018

Things to be Done to Prepare for a City Center at the Route 83 and Camp MacDonald Intersection

1. The connectivity between the various areas of the City Center will be improved and there will be pedestrian friendly walkways.
2. The Deli 4 You and Walgreens will be retained as the “anchors” of this City Center.
3. The boundaries of the Center will be defined with some precision and what the land acquisition efforts will be required.

Things to be Done for a City Center at the Sanders and Palatine area

1. Discussions with the Forest Preserve on the availability of the land and what strategies may be workable.
2. Discussions will also be initiated with All-State for possible property acquisition.
3. The City will undertake a benefits analysis of this area as a City Center and as a possible redevelopment site.
4. The boundaries of the Center will be defined with some precision and what the land acquisition efforts will be required.

Things to be Done for a City Center at the Commuter Train Station

1. This is to be determined.
2. This area may be better suited as a potential re-development venue.
3. The boundaries of the Center will be defined with some precision and what the land acquisition efforts will be required.
4. A determination will be made as to whether it is more feasible to consider this area as a redevelopment area.

The Council will determine what will be the mission and purpose of A City Center, will it be driven by aesthetics and amenities? Or, will it be driven by being a source of additional revenue production for the City.

During 2018-2019

1. The City will develop overall guidelines for the entire project which will include additional residential units for the Center.
2. The City will have identified the funding strategy for the entire project that will be completed over a ten-year period.

During 2019-2022

1. At least one project will be underway or completed by the end of this five-year period.

The Next Five Years 2022-2027

1. The redevelopment of the southeast and northwest quadrants of Camp McDonald Road and Route 83.
2. The development of the area around the train station will be underway,
3. The first two development plans of the overall development plan will be completed.
4. Five additional retail entities will be in operation in the City.
5. The overall population of the City will increase by 5,000.

Subject: Renewal of Lease Agreement with Commonwealth Edison for Commuter Parking Lot

Date: February 27, 2017

Background

The City of Prospect Heights has leased property from Commonwealth Edison for the commuter parking lot since the inception of the train station. As the lease has expired, renewal is necessary to continue use of the property for commuter parking.

Analysis

Commonwealth Edison is requiring a five-year lease with annual increases of \$1,000 (approximately 5 per cent per year) for years 2016-2020.

The rent schedule is:

2016 \$19,063

2017 \$20,063

2018 \$21,063

2019 \$22,063

2020 \$23,063

As the commuter parking fund has been experiencing deficits, the City has appealed to Metra for assistance, including authorization to increase parking rates. Metra is evaluating the City's request.

Recommendation

In order to continue commuter parking operations, authorization of this agreement is necessary and recommended.

PARKING LEASE

THIS PARKING LEASE (the "Lease") is made as of _____, 2016 by and between COMMONWEALTH EDISON COMPANY, an Illinois corporation ("Landlord") and CITY OF PROSPECT HEIGHTS, a municipal corporation ("Tenant") whose address is 8 N. Elmhurst Road, Prospect Heights, IL 60070.

RECITALS

Landlord and Tenant are parties to a certain Parking Lease dated November 1, 1995, which lease was supplemented by supplements dated July 17, 2000, October 16, 2001, January 21, 2003, July 25, 2011, September 14, 2012 (as so supplemented, the "Original Lease") which covers the Leased Premises (as defined below). The term of the Original Lease expired on October 31, 2015. To the extent that there is a gap in time between the expiration of the Original Lease and the Commencement Date hereof, Tenant shall continue to occupy the Leased Premises as a holdover tenant from November 1, 2015 until the Commencement Date hereof. The parties desire to enter into a new Parking Lease covering such Leased Premises on the terms and conditions contained in this Lease.

Landlord, for and in consideration of the payment of Rent (as hereinafter defined) by Tenant, and of the covenants, conditions and agreements of Tenant hereinafter set forth, does hereby lease and demise to Tenant (without warranty of title), and Tenant does hereby lease from Landlord, an approximately 180,650 square foot area portion of Landlord's property located near Wolf Road south of McDonald Road in Prospect Heights, Illinois and more particularly depicted on the drawing attached hereto and made a part hereof as Exhibit A (the "Leased Premises"), for the purposes specified in Section 2 below.

1. TERM. The term of this Lease (the "Term") shall commence upon the expiration date of the Original Lease (the "Commencement Date") and shall terminate on October 31, 2020, unless sooner terminated as provided herein.

In the event that Tenant intends to make any Alterations to the Leased Premises following the Commencement Date of the Lease, Tenant shall deliver the plans and specifications, and all other items required to be delivered by Tenant for the initial Alterations, if any, pursuant to Section 10 hereof, to Landlord upon the execution of this Lease, for Landlord's approval as provided in Section 10. Within thirty (30) days from the completion of the initial Alterations, Tenant shall deliver "as-built" plans and specifications of the initial Alterations to Landlord. In the event that the "as-built" plans and specifications are not in compliance with the plans and specifications delivered to Landlord upon execution of the Lease, Landlord may terminate this Lease after receipt of the "as-built" plans and specifications, and the parties shall have no further liability under this Lease, except that Tenant shall restore the Leased Premises to the condition that existed prior to the initial Alterations.

2. **OPTION TO RENEW.** Provided no event has occurred which with or without the passage of time and/or notice constitutes a Default under this Lease, Tenant shall have the right to extend the Term for one (1) five (5) year period (being referred to herein as the "Renewal Term"). Tenant shall provide written notification to Landlord at least one hundred eighty (180) days prior to the end of the Term of its desire to extend the Term for the Renewal Term ("Renewal Notice"), which Renewal Notice shall include payment to Landlord in the amount of Landlord's then current "Review Fee." If Tenant does not provide Landlord with the Renewal Notice and payment of the then current "Review Fee" within one hundred eighty (180) days prior to the end of the Term the Term of the Lease shall cease and terminate at the end of the stated Term, or the then current Renewal Term.

Subject to the provisions set forth above, in the event that the Lease is renewed, the Renewal Term will be upon the same terms, covenants and conditions contained in the Lease, except that: (i) Landlord may make any changes to the terms and conditions of the Lease, including without limitation, changes to any indemnity, environmental, restrictions, rent, and insurance provisions contained in the Lease as Landlord deems appropriate in its sole and absolute judgment; and (ii) any reference in the Lease to the Term will be deemed to include the Renewal Term. In addition, Tenant will be deemed to have accepted the Leased Premises in "as-is" condition as of the commencement of the Renewal Term, it being understood that Landlord will have no obligation to renovate or remodel the Leased Premises as a result of Tenant's renewal of the Lease.

3. **PURPOSE.** The Leased Premises shall be used by Tenant in compliance with all Legal Requirements (as hereinafter defined) and the terms and provisions of this Lease solely for purposes of driving and parking of passenger vehicles in connection with the adjacent rail commuter station, and for no other purposes (the "Permitted Use"). For purposes hereof, the term "Legal Requirements" shall mean all present and future laws, rules, orders, ordinances, regulations, statutes, requirements, codes, executive orders, court orders, rules of common law, and any judicial interpretations thereof, extraordinary as well as ordinary, of all governmental authorities, and all rules, regulations and government orders with respect thereto, and of any applicable fire rating bureau, or other body exercising similar functions, affecting the Leased Premises or the maintenance, use or occupation thereof, or any street, sidewalk or other property comprising a part thereof, regardless of whether imposed by their terms upon Landlord or Tenant, or the use and occupancy thereof by Tenant. Tenant's use of the Leased Premises shall also be and remain subject to Landlord's superior right to use all or any portion of the Leased Premises for its business purposes, including the installation, use and maintenance of any transmission, distribution or communications improvements, fixtures, facilities, machinery, equipment and/or other property owned by Landlord and now or hereafter installed by Landlord on or near the Leased Premises ("Landlord's Facilities").

4. **RENT.**

(a) **Base Rent.** Tenant shall pay to Landlord base rent ("Base Rent"), in advance on or before the first day of each month of the Term, commencing on or before November 1, 2015, pursuant to the schedule in Exhibit B attached hereto and made a part hereof.

(b) **Proration of Rent.** Landlord and Tenant understand and agree that if the Commencement Date or last day of the Term occurs on a date that is other than the first or last day (as applicable) of a month, the Rent (as hereinafter defined) for that month shall be prorated on a per diem basis.

(c) **Rent.** For purposes of this Lease, the term "Rent" shall mean the Base Rent, together with all other amounts due and payable by Tenant to Landlord under this Lease.

(d) Payment of Rent. All Rent due and payable by Tenant under this Lease shall be paid to the following address:

Commonwealth Edison Company
Real Estate Department, 4th Floor
Three Lincoln Centre
Oakbrook Terrace, IL 60181
Attn: Lease Payment Department

or to such other place as Landlord may from time to time designate in writing. All payments due from Tenant hereunder which are not paid when due shall bear interest at a rate equal to ten percent (10%) per annum from the date due until paid (the "Default Rate"). Such interest shall be compounded monthly. In addition to, and not in lieu of, the foregoing (and any other rights and remedies to which Landlord is entitled under this Lease), in the event that any payment due from Tenant hereunder is not paid within five (5) business days of the date that the same is due, then a late fee in the amount of ten percent (10%) of the unpaid amount shall be due and payable by Tenant to Landlord. All Rent shall be paid by Tenant without notice or demand, and without any set-off, counterclaim, abatement or deduction whatsoever, in lawful money of the United States by bank check or wire transfer of immediately available funds. Tenant's obligations to pay Rent are independent of each and every covenant contained in this Lease.

(e) Net Lease Except as otherwise provided in this Lease, the Rent herein shall be absolutely net to Landlord, so that this Lease shall yield, net to Landlord, the Rent in each year during the Term of this Lease and any renewals thereof, and that all costs, expenses and obligations of every kind and nature whatsoever, relating to the Leased Premises which may arise or become due during the Term of this Lease or any renewal or extension thereof, or as a result of Tenant's use or occupancy of the Leased Premises, shall be paid by Tenant, and Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord from all such costs, expenses and obligations.

5. TAXES. Tenant shall pay the following amounts as "Taxes" to Landlord in each case no later than thirty (30) days after Landlord's written demand.

(a) Tenant's proportionate share of the land component of all real estate taxes for each tax parcel of which the Leased Premises is a part for all periods falling within the Term, which proportionate share shall be calculated as follows: (i) the total land component of each tax bill for each such real estate tax parcel which includes any portion of the Leased Premises, multiplied by (ii) a fraction, the numerator of which shall be the acreage of the portion of such tax parcel which falls within the Leased Premises, and the denominator of which shall be the total acreage of such tax parcel; plus

(b) All real estate taxes and other assessments which are allocable to any improvements, structures or fixtures constructed, installed, or placed by Tenant at the Leased Premises for all periods falling within the Term, plus

(c) Any increase in the real estate taxes and other assessments payable with respect to the Leased Premises (or any tax parcel of which the Leased Premises is a part) which is allocable to this Lease, Tenant's use or occupancy of the Leased Premises, or any improvements, structures or fixtures constructed, installed or placed by Tenant at the Leased Premises (but without duplication of any amount payable pursuant to clause (b) above), for all periods falling within the Term.

For purposes of this Lease, Taxes "for" or "with respect to" any particular period (or portion thereof) shall mean the Taxes which are payable during the calendar year in which any portion of such period falls, irrespective of the fact that such Taxes may have accrued with respect to a different period.

Tenant may at Tenant's sole cost and expense, execute and deliver all documents, instruments petitions and applications, and take all other actions which may be necessary and/or appropriate, in order to cause the Leased Premises to be exempted from the payment of real estate taxes, to the extent that it is possible, under applicable Legal Requirements, to cause the Leased Premises to be so exempted. In the event that Tenant is successful in obtaining any such real estate tax exemption for the Leased Premises, then Tenant may thereafter cause such real estate tax exemption to be continued for each tax year (or portion thereof) during which this Lease is in effect (and Tenant may execute such documents, instruments, petitions and applications, and take such other actions which may be necessary and/or appropriate, to cause such property tax exemption to be so continued). In the event that Tenant is unsuccessful in obtaining or continuing any such real estate tax exemption with respect to the Leased Premises, then Tenant may thereafter use commercially reasonable efforts to continue to seek such exemption (or continuance thereof, as applicable) and may take such actions as may be necessary to apply for such exemption (or continuation). Notwithstanding anything contained in this paragraph, to the extent Tenant fails to obtain a tax exemption in respect to the Leased Premises, for any reason, Tenant shall pay the Taxes as required above in this Section 5.

6. **CONDITION.** Tenant has examined the Leased Premises and knows its condition. Tenant hereby accepts the condition of the Leased Premises in its AS-IS, WHERE-IS CONDITION, WITH ALL FAULTS. No representations or warranties as to the condition, repair or compliance with Legal Requirements thereof, and no agreements to make any alterations, repairs or improvements in or about the Leased Premises have been made by or on behalf of Landlord. By accepting possession of the Leased Premises, Tenant shall be conclusively presumed to have accepted the condition thereof and to have unconditionally waived any and all claims whatsoever related to the condition of the Leased Premises.

7. **MAINTENANCE; SERVICES AND UTILITIES.**

(a) Tenant agrees at its sole cost and expense, to keep and maintain the Leased Premises (including any parking lot and/or area thereon) in a clean, neat, sanitary and sightly condition and repair, and commensurate with the conditions existing at the time this Lease is executed to Landlord's satisfaction at all times during the Term hereof. Without limiting the generality of the foregoing, Tenant shall (subject to the terms and provisions of this Lease) perform any and all necessary paving, grading, landscaping, cutting and mowing of grass and weeds (including all Canadian thistles and other noxious weeds and growths at the Leased Premises) and snow and ice removal, all at Tenant's sole cost and expense.

(b) Landlord shall not be responsible for furnishing or providing any services or utilities to the Leased Premises (or any costs or expenses associated therewith), but rather, Tenant shall be responsible, at Tenant's sole cost and expense, for providing all such services and utilities. Landlord has made no representation, warranty or covenant of any kind regarding the availability (or future availability) of any such utilities and services, and no failure to provide or interruption of any such services or utilities or services shall give rise to any right or remedy in favor of Tenant under this Lease.

(c) Tenant assumes all of the responsibilities normally identified with the ownership of the Leased Premises, including, but not limited to, responsibility for the condition of the Leased Premises, such as the operation, repair, replacement, maintenance and management of the Leased Premises, including, without limitation, repairs to all buildings, structures, fixtures, equipment and other property thereat; provided, that (except as expressly set forth below) in no event shall Tenant maintain, repair, gain access to or in any way use or operate any of Landlord's Facilities.

Prior to the end of the Term, or earlier termination of the Lease, Landlord may notify Tenant that Tenant shall not remove any fixtures, structures and improvements specified in such notice, in which event Tenant shall leave such specific items in place and in good condition, ordinary wear and tear excepted, and title to such items shall pass to Landlord upon the expiration or earlier termination of the Lease. This Section shall survive the termination or expiration of the Lease.

9. **COMPLIANCE WITH LAWS; WASTE; OTHER COVENANTS OF TENANT.**

(a) **General.** Tenant, at its sole expense, shall comply, and cause the Leased Premises to comply, with all Legal Requirements. In addition, Tenant covenants and agrees that it will not commit waste, loss or damage to the Leased Premises or any other property of Landlord.

(b) **Change in Law.** Tenant acknowledges that Landlord may incur costs as a result of the enactment of new Legal Requirements relating to the Leased Premises, and/or changes in Legal Requirements relating to the Leased Premises. Tenant agrees that any such costs incurred by Landlord for complying with such new or changed Legal Requirements and due in whole or in part to Tenant's use and/or occupancy of the Leased Premises shall be an expense recoverable by Landlord from Tenant. To the extent any such expense paid by Tenant to Landlord is subsequently recovered by or reimbursed to Landlord through insurance or recovery from responsible third parties or other action, Tenant shall be entitled to a proportionate share (as reasonably determined by Landlord) of such recovery or reimbursement.

(c) **Notice of Violations.** Tenant shall immediately provide Landlord with written notice. (i) upon Tenant's obtaining knowledge of any potential or known violations of any Legal Requirements relating to the Leased Premises, and/or (ii) of Tenant's receipt of any notice, correspondence, demand or communication of any nature from any governmental authority related to any alleged or actual violation of any Legal Requirements relating to the Leased Premises.

(d) **Height and Other Limitations.** No vehicles, equipment or anything else (including, but not limited to, any equipment attached to vehicles or equipment such as antennas) having a height which exceeds the maximum allowable height under OSHA's height standards in effect from time to time during the Term, shall be driven, moved or transported on the Leased Premises without Landlord's prior written consent.

10. **ALTERATIONS.**

(a) **General.** Tenant shall not make any alterations, installations, improvements, additions or other physical changes (collectively, the "Alterations") in or about the Leased Premises without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Alterations shall be performed: (i) by Tenant, at Tenant's sole cost and expense (and Landlord shall have no duty or obligation with respect thereto), (ii) pursuant to final and stamped plans and specifications approved in writing by Landlord (in Landlord's sole discretion), (iii) by contractors and subcontractors approved in writing by Landlord (in Landlord's sole discretion), (iv) in compliance with all Legal Requirements, and (v) in a good and workmanlike manner, free of all liens.

Tenant, at Tenant's sole cost and expense, shall obtain any and all permits and approvals necessary for the performance of any Alterations. During the performance of any Alterations, Tenant shall carry, and shall cause its contractors and subcontractors to carry, such insurance as Landlord shall, in its sole discretion, direct. Neither Tenant nor any of Tenant's authorized agents, at any time prior to or during the Term, directly or indirectly, shall employ, or permit the employment of, any contractor, mechanic or laborer in the Leased Premises, or permit any materials to be delivered to or used in the Leased Premises, whether in connection with any Alterations or otherwise, if, in Landlord's sole judgment, such employment, delivery or use will interfere or cause any conflict with other contractors, mechanics or laborers engaged in the construction, maintenance or operation of the Leased Premises (or any other property) by Landlord, Tenant or others, or the use and enjoyment of the Leased Premises by Landlord or other tenants or occupants of the Leased Premises. In the event of such interference or conflict, upon Landlord's request, Tenant shall cause all contractors, mechanics or laborers causing such interference or conflict to leave the Leased Premises immediately. At the sole discretion of Landlord, any proposed Alterations shall be subject to a review fee, the amount of which will be determined by Landlord upon receipt of Tenant's request for consent to such Alterations. Such fee shall be due and payable by Tenant within five (5) days from receipt of notice from Landlord of the amount of such review fee and Landlord shall not be required to consider Tenant's request for Landlord's consent to any Alterations until the review fee for such Alterations is paid.

(b) Paving and Filling Without limiting the generality of the terms and provisions of Section 9(a) above, Tenant acknowledges and confirms that any and all grading, leveling, adding or removing soil and/or paving of the Leased Premises (or any portion thereof) shall constitute an Alterations for purposes of this Lease, and shall be subject to each and all of the terms and provisions relating thereto. In any event, any and all debris from any Alterations of Tenant shall be promptly removed from the Leased Premises by Tenant. In the event that, in connection with Tenant's Alterations, Tenant elects to fill any low spots on the Leased Premises, only clean fill (defined as not containing debris such as gravel, concrete, tree roots, brick or any contaminants) shall be used prior to the spreading of base fill underlying any paving. No paving or grading work (or similar work) of any kind will be undertaken within a ten (10) foot radius of any tower leg (or similar equipment, improvement or facility) of Landlord. Paving shall be well drained, firm and solid blacktop (or other substance approved in writing by Landlord), and shall be neat and clean in appearance. In addition, and not in lieu of the foregoing, any such grading, leveling, paving and/or filling of the Leased Premises shall comply with the terms and provisions of Section 13 below. Tenant shall not cause or permit the existing ground grade on the Leased Premises to be increased or decreased in excess of eight inches (8") without Landlord's prior written consent.

(c) Drainage. Tenant covenants and agrees that no Alterations made by Tenant pursuant to this Lease shall cause any surface water drainage problems for Landlord or any adjoining landowners. In the event that any such water drainage problems are caused by Tenant's Alterations, Tenant shall correct such problems immediately at Tenant's sole cost and expense.

(d) Fencing and Barriers. Tenant covenants and agrees that, in the event that Tenant installs (or is required (by Landlord or otherwise) to install) any fencing and/or gates in connection with Tenant's Alterations at the Leased Premises (or its use or occupancy of the Leased Premises), Tenant will install, maintain and operate such fences and/or gates in strict compliance with the requirements of Exhibits C1 and C2, attached hereto and made a part hereof, and any and all other fencing and locking rules, regulations and guidelines which Landlord may deliver to Tenant from time to time prior to or during the Term. Tenant also acknowledges and confirms that, in connection with Landlord's review and/or approval of the plans and specifications for Tenant's Alterations at the Leased Premises (as provided in Section 10(a) above), Landlord may require, prior to or at any time during the term of this Lease, that barriers ("Barriers") be installed on the Leased Premises in order to protect Landlord's Facilities and/or

other equipment, improvements and facilities of Landlord and other users and occupants of the Leased Premises. Any such Barriers shall be installed either (at Landlord's sole option): (i) by Tenant, at Tenant's sole cost and expense, in a manner satisfactory to Landlord, or (ii) by Landlord, in which event Tenant shall pay to Landlord, prior to such installation, Landlord's reasonable estimate of the cost of such installation of the Barriers. Any barriers required to be installed hereunder shall be installed, maintained and operated by Tenant in strict compliance with the requirements of Exhibits C1 and C2, attached hereto, and any and all rules, regulations and guidelines regarding barriers which Landlord may deliver to Tenant from time to time prior to or during the Term.

(e) Soil Removal. Tenant hereby agrees that it will not remove any soil from the Leased Premises without the prior written consent of Landlord. Any soil removed from the Leased Premises to which Landlord consents (as provided in the preceding sentence) shall become the property of Tenant and shall be: (i) transported and disposed of by Tenant (at its sole cost and expense) in a manner approved in writing by Landlord and in compliance with all Legal Requirements, and (ii) promptly replaced by Tenant at its sole cost and expense, with clean soil not contaminated with Hazardous Materials (as defined in Section 16 below).

(f) Third Party Facilities. In addition to any Landlord's Facilities located on or near the Leased Premises, Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between the any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

(g) Supervision. Landlord shall have the right (but not the obligation) to monitor and observe Tenant's performance of any Alterations at the Leased Premises (or any component thereof) and, in the event that Landlord so elects, Tenant shall reimburse Landlord for any and all costs of such monitoring and observation, together with a charge for Landlord's overhead, as determined by Landlord. In the event that Landlord elects to monitor or observe any such work, in no event shall Landlord be deemed to have approved or made any representation or warranty regarding the same.

(h) Notification. In addition to and not in lieu of, Tenant's other obligations under this Section, Tenant also agrees to notify Landlord's Representative at Telephone Number 866-340-2841 at least seventy two (72) hours prior to the commencement of any Alterations at the Leased Premises.

11. INDEMNITY. To the maximum extent permitted under Legal Requirements, Tenant agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless Landlord and Exelon Corporation, a Pennsylvania corporation, and their respective parents, subsidiaries and affiliates, and their respective officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees, guests, invitees, successors and assigns (collectively, the "Indemnified Parties"), from and against any and all losses, costs, damages, liabilities, expenses (including, without limitation, reasonable attorneys' fees) and/or injuries (including, without limitation, damage to property and/or personal injuries) suffered or incurred by any of the Indemnified Parties (regardless of whether contingent, direct, consequential, liquidated or unliquidated) (collectively, "Losses"), and any and all claims, demands, suits and causes of action brought or raised against any of the Indemnified Parties (collectively, "Claims"), arising out of, resulting from, relating to or connected with: (i) any act or omission of Tenant or its officers, directors, shareholders, employees, representatives, agents, contractors, licensees, lessees,

guests, invitees, successors and assigns (collectively, "Tenant Group") at, on or about the Leased Premises, and/or (ii) any breach or violation of this Lease on the part of Tenant, and notwithstanding anything to the contrary in this Lease, such obligation to indemnify, defend and hold harmless the Indemnified Parties shall survive any termination or expiration of this Lease. This indemnification shall include, without limitation, claims made under any workman's compensation law or under any plan for employee's disability and death benefits (including, without limitation, claims and demands that may be asserted by employees, agents, contractors and subcontractors).

12. **WAIVER.** Any entry onto the Leased Premises by Tenant and, to the extent permitted by law, each and every member of the Tenant Group, shall be at such parties' sole risk, and Landlord makes (and has heretofore made) no representations or warranties of any kind whatsoever regarding the Leased Premises or the condition of the Leased Premises (including, without limitation, the environmental condition thereof). To the fullest extent permitted by law, Tenant and each member of the Tenant Group hereby waives any and all claims, demands, suits and causes of action against the Indemnified Parties, and fully and forever releases the Indemnified Parties, for any loss, cost, damage, liability or expense (including, without limitation attorneys' fees) suffered or incurred by Tenant or any member of the Tenant Group in connection with any entry onto the Leased Premises pursuant to this Lease. Without limiting the generality of the foregoing, in no event shall any of the Indemnified Parties be responsible or liable for any loss, damage, destruction, theft or misappropriation of any of the property of Tenant or any member of the Tenant Group. This Section will survive termination or expiration of the Lease.

13. **DIGGING WORK.** If Tenant performs any grading, leveling, digging or excavation work on the Leased Premises (which work shall be subject to Landlord's prior written approval), Tenant will notify J.U.L.I.E. at telephone number 811 or (1-800) 892-0123, or D.I.G.G.E.R. at (1-312) 744-7000 if the Leased Premises is located in the City of Chicago, or in the event the Leased Premises is located outside J.U.L.I.E.'s or D.I.G.G.E.R.'s jurisdiction, any other services required by the utilities in the jurisdiction, at least seventy-two (72) hours prior to the commencement of such work in order to locate all existing utility lines that may be present on the Leased Premises. If Tenant damages any such underground facilities in the course of its work, Tenant will promptly reimburse Landlord or the owner of such equipment or facilities for any and all expense incurred in repairing or replacing such damage.

14. **CASUALTY.** In the event of any damage to or destruction of the Leased Premises, by fire or other casualty, which materially and adversely affects Tenant's use and enjoyment of the Leased Premises for the purposes specified in this Lease, then either Landlord or Tenant shall have the right, no later than ninety (90) days after such party becomes aware of such damage or destruction, to terminate this Lease upon sixty (60) days' prior written notice to the other. In the event of any damage or destruction which is not so extensive, or in the event that Landlord and Tenant elect not to terminate this Lease pursuant to the preceding sentence, then this Lease shall continue in full force and effect, and Tenant will promptly and diligently, at its sole cost and expense, repair, restore, rebuild and replace the Leased Premises (and all improvements, fixtures, equipment and property thereat) as nearly as possible to the condition they were in immediately prior to such damage or destruction. Any such work shall be done in a manner satisfactory to Landlord, and in accordance with all Legal Requirements and the terms and provisions of this Lease. Landlord shall not be liable or responsible for any loss or damage caused to any property of Tenant or any member of the Tenant Group (including, without limitation, any such loss or damage caused by fire, vandalism or other casualty) at any time during the Term hereof.

15. **CONDEMNATION.** If the Leased Premises, or a substantial part thereof, or a portion which prevents use of the Leased Premises for the purposes specified herein, shall be taken or condemned by any competent authority for any public use or purpose, the Term shall end on the date when the possession of the part so taken shall be required for such use or purpose, and without apportionment of any condemnation award or proceeds (it being understood that Landlord shall be entitled to the entire

amount of any such award or proceeds, and Tenant shall have no right to share therein). Current Rent shall be apportioned as of the date of such termination.

16. ENVIRONMENTAL PROTECTION.

(a) **General.** Tenant covenants and agrees that Tenant shall conduct its operations on the Leased Premises in compliance with all applicable Environmental Laws (as hereinafter defined) and further covenants that neither Tenant nor any member of the Tenant Group shall use, bring upon, transport, store, keep or cause or allow the discharge, spill or release (or allow a threatened release) in each case of any Hazardous Materials (as hereinafter defined) in, on, under or from the Leased Premises. Without limiting any other indemnification obligations of Tenant contained herein, Tenant hereby agrees to protect, indemnify, defend (with counsel acceptable to Landlord) and hold harmless the Indemnified Parties from and against any and all Losses and Claims (including, without limitation, (i) reasonable attorneys' fees, (ii) liability to third parties for toxic torts and/or personal injury claims, (iii) fines, penalties and/or assessments levied or raised by any governmental authority or court, and (iv) assessment, remediation and mitigation costs and expenses and natural resource damage claims) arising out of, resulting from or connected with any Hazardous Materials used, brought upon, transported, stored, kept, discharged, spilled or released by Tenant, any member of the Tenant Group or any other person or entity (except for any person or entity which is an Indemnified Party) in, on, under or from the Leased Premises. For purposes of this Lease, the term "Hazardous Materials" shall mean all toxic or hazardous substances, materials or waste, petroleum or petroleum products, petroleum additives or constituents or any other waste, contaminant or pollutant regulated under or for which liability may be imposed by any Environmental Law. For purposes of this Lease, the term "Environmental Laws" shall mean all federal, provincial, state and local environmental laws, statutes, ordinances, regulations, and other requirements (including common law) regulating or imposing standards of care with respect to the handling, storage, use, emitting, discharge, disposal or other release of Hazardous Materials, including, but not limited to, the Resource Conservation and Recovery Act of 1976, 42 U.S.C. §§ 6901 et seq., the Clean Air Act, 42 U.S.C. §§7401, et seq., the Federal Water Pollution Control Act, 33 U.S.C. §§1251, et seq., the Emergency Planning and Community Right to Know Act, 42 U.S.C. §§ 1101, et seq., the Comprehensive Environmental Response, Compensation and Liability Act of 1980, 42 U.S.C. §§ 9601 et seq., the Toxic Substances Control Act, 15 U.S.C. §§2601, et seq., the Oil Pollution Control Act, 33 U.S.C. §§2701, et seq., any successor statutes to the foregoing, or any other comparable local, state or federal statute or ordinance pertaining to protection of human health, the environment or natural resources, including without limitation the preservation of wetlands, and all regulations pertaining thereto, as well as applicable judicial or administrative decrees, orders or decisions, authorizations or permits.

(b) **Wetlands.** If there are wetlands on the Leased Premises, or if wetlands should develop on the Leased Premises during the Term, Tenant shall strictly comply with and observe all applicable Environmental Laws. At Landlord's request, Tenant, at its cost, shall furnish Landlord with a survey of the Leased Premises delineating any wetland areas located on the Leased Premises. Under no circumstances shall Tenant change the physical characteristics of any wetland areas located on the Leased Premises or any adjoining land or place any fill material on any portion of the Leased Premises or adjoining land, without in each instance obtaining Landlord's prior written consent (which may be granted or withheld in Landlord's sole discretion), and only then in compliance with applicable Environmental Laws.

(c) **Notice of Violation/Release.** Tenant shall provide Landlord with prompt written notice upon Tenant's obtaining knowledge of the existence of any Hazardous Materials on, in or under the Leased Premises in violation of Environmental Laws, or of any potential or known release or threat of release of any Hazardous Materials affecting the Leased Premises.

(d) Survival. This Section shall survive the expiration or other termination or expiration of the Lease.

17. INSURANCE. Tenant shall comply with the insurance provisions contained in Exhibit D, attached hereto and made a part hereof.

18. ZONING. Tenant hereby acknowledges that Landlord has made no representations that the Leased Premises may be used or is properly zoned for the Permitted Use, and Tenant further agrees that it will (at its sole cost and expense) obtain all necessary permits and other approvals prior to undertaking the Permitted Use. Tenant assumes all obligations and responsibilities for compliance with all Legal Requirements including, without limitation, all applicable zoning laws and ordinances, building codes and governmental regulations. This Lease is not preconditioned on Tenant obtaining any zoning or use permits or approvals. This Lease does not constitute the authority to seek a zoning change to permit the Permitted Use, and in no event shall Tenant seek or apply for any such zoning change to the Leased Premises without Landlord's prior written consent, which consent may be given or withheld in Landlord's sole and absolute discretion.

19. NO SIGNS. Tenant shall not place or permit to be placed by any person or entity (other than Landlord) on the Leased Premises any signs or billboards (including, without limitation, any advertising signs or billboards) without prior written approval of Landlord, which approval Landlord may give or withhold in Landlord's sole and absolute discretion.

20. DAMAGE TO LANDLORD'S FACILITIES. Tenant agrees that in the event any work done by or on behalf of Tenant on the Leased Premises causes damage to Landlord's Facilities, Tenant will promptly reimburse Landlord for any and all expense incurred for the repairing or replacement of such damage, within thirty (30) days, after presentation to Tenant of Landlord's statement therefor.

21. DEFAULT.

(a) In the event that any of the following shall occur (each, a "Default"):

(i) Tenant shall at any time fail to make any payment of Rent (or any portion thereof) or any other payments required of Tenant hereunder when required, and such failure continues for a period of more than ten (10) days (without necessity of any notice or demand therefor), ("Delinquent") or if Tenant is Delinquent more than three (3) times in any twelve (12) month period;

(ii) Tenant shall breach or violate any of its duties or obligations set forth in Section 7 (Surrender of Leased Premises; Restoration), Section 17 (Insurance), Section 22 (Covenants Against Liens), Section 23 (Assignment and Subletting) or Section 30 (Subordination; Estoppel) of this Lease;

(iii) Tenant shall at any time be in default in any other covenants and conditions of this Lease to be kept, observed and performed by Tenant, and such default continues for more than thirty (30) days (or such shorter time period as may specifically be set forth in this Lease);

(iv) this Lease or Tenant's interest herein, or any interest in Tenant, shall be assigned, transferred, mortgaged or pledged, levied on or attempted to be taken by execution, attachment or other process of law, or if any execution or attachment shall be issued against Tenant, or any of Tenant's property in the Leased Premises shall be taken or occupied or attempted to be taken or occupied by someone other than Tenant;

(v) a receiver, assignee or trustee shall be appointed for Tenant or Tenant's property or if Tenant shall file bankruptcy, or if involuntary bankruptcy proceedings shall be filed against Tenant;

(vi) Landlord shall receive notice of any alleged violation of any Legal Requirements resulting from or in any way connected with Tenant's use of the Leased Premises and such violation is not cured (and all liabilities connected therewith fully satisfied) by Tenant prior to the earlier of (A) ten (10) days after notice from Landlord to Tenant of such alleged violation, (B) the last day of the period permitted by law for curing such violation or (C) the first date Landlord becomes subject to any fine, penalty, lien, judgment, order or other liability due to the continued existence of such violation; or

(vii) Tenant shall abandon the Leased Premises or vacate same during the Term.

(b) If a Default occurs at any time during the Term, Landlord may do any or all of the following (all of which remedies shall be cumulative and not exclusive, and all of which remedies shall be in addition to, and not in lieu of, any other rights and remedies to which Landlord may be entitled under this Lease, at law or in equity):

(i) Landlord, at its option, at once, without notice to Tenant or to any other person, terminate this Lease and at its option, require payment in full of the Rent due for the unexpired term of the Lease.

(ii) Landlord may enter into the Leased Premises, and remove Tenant's property and effects therefrom, and/or take and hold possession thereof, without such entry and/or possession terminating this Lease or releasing Tenant in whole or in part from Tenant's obligations to pay Rent and perform all its other obligations hereunder for the remainder of the Term, and to relet the Leased Premises or any part or parts thereof, either in the name of or for the account of Landlord or Tenant, for such rent and on such term and terms as Landlord may see fit, which term may at Landlord's option extend beyond the balance of the Term of this Lease. Except to the extent required under applicable Legal Requirements, Landlord shall not be required to accept any tenant offered by Tenant or to observe any instructions given by Tenant about such reletting. In any case, Landlord may make such repairs, alterations and additions in or to the Leased Premises as Landlord sees fit. Tenant shall pay Landlord any deficiency between the Rent hereby reserved and covenanted to be paid and the net amount of the rents collected on such reletting, for the balance of the Term of this Lease, as well as any expenses incurred by Landlord in such reletting, including, but not limited to, attorney's fees, broker fees, the expenses of repairing and altering the Leased Premises, and otherwise preparing the same for re-rental. All such costs, other than the rental, shall be paid by Tenant upon demand by Landlord. Any deficiency in rental amounts shall be paid in monthly installments, unless Landlord has declared the entire Rent for the balance of the Term due, as provided elsewhere in this Lease. Any suit brought to collect the amount of the deficiency for any one or more months' Rent shall not preclude any subsequent suit or suits to collect the deficiency for any subsequent month's Rent.

(iii) Landlord may require that upon any termination of this Lease, whether by lapse of time, the exercise of any option by Landlord to terminate the same, or in any other manner whatsoever, or upon any termination of Tenant's right to possession without termination of this Lease, Tenant shall at once surrender possession of the Leased Premises to Landlord and immediately vacate the same and remove all effects therefrom, except such as may not be removed under other provisions of this Lease. If Tenant fails to do so, Landlord may forthwith re-enter the Leased Premises, with or without process of law, and repossess itself thereof as in its

former estate and expel and remove Tenant and any other persons and property therefrom, using such force as may be necessary without being deemed guilty of trespass, eviction or forcible entry, without thereby waiving Landlord's rights to Rent or any other rights given Landlord under this Lease or at law or in equity.

(iv) At its option, Landlord may remove, if Tenant shall not remove all effects from the Leased Premises in this Lease as provided, any or all of such effects in any manner that Landlord shall choose and store the same without liability for loss thereof, and Tenant will pay Landlord, upon demand, any and all expenses incurred in such removal and also storage of said effects for any length of time during which the same shall be in Landlord's possession or in storage, or Landlord, at its option and without notice, may sell any or all of said effects in such manner and for such price as Landlord may deem best and apply the proceeds of such sale upon any amounts due under this Lease from Tenant to Landlord, including the expenses of removal and sale.

(v) Landlord may collect from Tenant any other loss or damage Landlord may sustain by reason of any breach (including, without limitation, the unamortized portion of any brokerage fee or commission paid by or on behalf of Landlord to any broker or finder with respect to this Lease) and any diminished value of the Leased Premises resulting from said breach.

(vi) Landlord may enjoin any such breach of this Lease by Tenant.

(vii) Landlord may take any and all corrective actions Landlord deems necessary or appropriate to cure the default of Tenant in question and charge the cost thereof to Tenant, together with (A) interest at the Default Rate and (B) an administrative charge in an amount equal to ten percent (10%) of the cost of the corrective action to defray part of the administrative expense incurred Landlord in administering such cure, such payment to be made by Tenant upon Landlord's presentment and demand therefore.

(c) Except as specifically provided in this Section, Tenant expressly waives the service of any notice of intention to terminate this Lease or to terminate Tenant's right of possession of the Leased Premises or to re-enter the Leased Premises and waives the service of any demand for payment of Rent or for possession and waives the service of any and every other notice or demand prescribed by any statute, law or ordinance and agrees that the simple breach of any of the covenants of this Lease (beyond any applicable notice and cure periods) shall, of itself, without the service of any additional notice or demand whatsoever, at Landlord's option, constitute a default on the part of Tenant. No receipt of monies by Landlord from or for the account of Tenant or from anyone in possession or occupancy of the Leased Premises after termination or expiration of the Lease in any way of this Lease or after the giving of any notice, shall reinstate, constitute or extend the term of this Lease or affect any notice given to Tenant prior to the receipt of such money, it being agreed that after the service of notice of the commencement of a suit, or after final judgment for possession of the Leased Premises, Landlord may receive and collect any Rent or other amounts due Landlord and such payment shall not waive or affect such notice, suit, or judgment.

(d) Any and all rights and remedies which Landlord may have under this Lease at law or in equity, shall be cumulative and shall not be deemed inconsistent with each other, and any two or more or all of said rights and remedies may be exercised at the same time or at different times and from time to time.

(e) If Landlord is required to incur expense, legal, incidental, or consequential, because of the breach of this Lease by Tenant, Tenant shall promptly reimburse Landlord for such expense upon being given a written itemization and explanation thereof. In the event of commencing a court action as a result of any breach, it is agreed that such expenses are to be considered a part of the damages claimed in said action and any expense incurred in prosecuting that action shall be included. It is agreed that the term "expenses" as used herein shall include, but shall not be limited to, attorney's fees, court costs, district justice costs, and any and all other costs and expenses reasonably related to such breach.

(f) The failure of Landlord to enforce any of its rights under this Lease on one or more occasions shall not affect Landlord's ability to enforce that right on any subsequent occasion or occasions.

(g) Upon the occurrence of a Default or any breach or default under this Lease by Tenant, Tenant shall be liable for and shall reimburse Landlord upon demand for all reasonable attorney's fees and costs incurred by Landlord in enforcing Tenant's obligations under this Lease, whether or not Landlord files legal proceedings in connection therewith.

(h) In the event that a Default shall occur and Landlord elects to terminate this Lease, or upon expiration of this Lease, Tenant shall not be relieved of its duties or obligations under this Lease so long as Tenant or any of Tenant's property remains on the Leased Premises. Additionally, any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

(i) In the event of a threatened breach by Tenant of any of the covenants or provisions of this Lease, Landlord shall (without limiting any of Landlord's other rights or remedies hereunder, at law or in equity) have the right to enjoin any such threatened breach.

21. LIMITATION ON LIABILITY. It is expressly understood and agreed by Tenant that none of Landlord's covenants, undertakings or agreements contained in this Lease are made or intended as personal covenants, undertakings or agreements by Landlord or any entity which is affiliated with Landlord its parent or subsidiaries. Tenant specifically agrees to look solely to Landlord's interest in the Leased Premises for the recovery of any sums, damages, awards or judgments from Landlord. It is agreed that neither Landlord, nor any entity which is affiliated with Landlord (nor any of their respective parents or subsidiaries, nor any of their respective shareholders, investors, officers, directors or employees) shall be personally liable for any such sums, damages, awards or judgments. This Section will survive termination or expiration of the Lease.

22. COVENANTS AGAINST LIENS. Tenant hereby covenants and agrees that it will not cause or permit any lien (including, without limitation, any mechanic's lien) or claim for lien to be asserted against the Leased Premises or any interest therein, whether such lien or claim for lien results from or arises out of any act or omission of Tenant or any member of the Tenant Group or otherwise. In the event any such lien or claim for lien is filed, Tenant will immediately pay and release the same. In the event such lien or claim of lien is not released and removed within five (5) days after notice from Landlord, Landlord, at its sole option and in addition to any of its other rights and remedies, may take any and all action necessary to release and remove such lien or claim of lien (it being agreed by Tenant that Landlord shall have no duty to investigate the validity thereof), and Tenant shall promptly upon notice thereof reimburse Landlord for all sums, costs and expenses, including court costs and reasonable attorneys' fees and expenses, incurred by Landlord in connection with such lien or claim of lien. Tenant hereby agrees to indemnify, defend and hold harmless Landlord from and against any and all liens or claims for lien arising out of or in any way connected with Tenant's use and occupancy of the Leased Premises. Any rights and obligations created under or by this Section shall survive termination or expiration of this Lease.

23. **ASSIGNMENT AND SUBLETTING.** Tenant shall not, directly or indirectly, assign, mortgage, pledge, encumber, or otherwise transfer this Lease (or any interest of Tenant herein), whether by operation of law or otherwise, and shall not sublet (or underlet), or permit, or suffer the Leased Premises or any part thereof to be used or occupied by others, without Landlord's prior written consent in each instance, which consent may be granted or denied by Landlord in its sole and absolute discretion. Any assignment, sublease, mortgage, pledge, encumbrance or transfer by Tenant in contravention of the provisions of this Section shall be void. For purposes of this Lease any transfer, directly, indirectly or by operation of law, of a "controlling" interest in Tenant shall constitute an assignment of this Lease, and shall be subject to the terms and provisions of this Section. For purposes hereof, a "controlling" interest in Tenant shall mean: (a) the ownership, directly or indirectly, of a majority of the outstanding voting stock or interests of Tenant, or (b) the possession, directly or indirectly, of the power to direct or cause the direction of the management and policies of Tenant, whether through the ownership of voting securities or other ownership interests, by statute, or by contract.

24. **TERMINATION.** Prior to the end of the Term, this Lease may be terminated at any time by Landlord by giving ninety (90) days prior written notice to Tenant of such termination. This Lease may also be terminated by Landlord, if Landlord is required to do so by a regulatory body, by a court of competent jurisdiction or Legal Requirements. In the event this Lease is terminated for any reason, any Rent paid in advance shall be prorated to the effective date of such termination and the unearned portion thereof refunded to Tenant.

25. **LANDLORD'S RIGHTS.** The rights of Landlord to utilize the Leased Premises in its business operations will, at all times, be and remain paramount to the rights herein granted to Tenant by Landlord and nothing stated herein is to be construed as restricting Landlord from granting rights to other parties or persons in, upon or under the Leased Premises. Without limiting the generality of the foregoing, the parties specifically refer to rights relating to sewers, water pipes and mains, drainage tiles and pipes, gas main and pipelines and other associated uses. In addition, Landlord shall have the right to enter upon the Leased Premises at any time and from time to time to show the same to prospective tenants, mortgagees and/or purchasers, and to place "For Rent" and/or "For Sale" signs thereon.

26. **RIGHT OF ENTRY.** Tenant agrees that Landlord and Landlord's agents, representatives, employees, contractors, licensees, invitees, tenants, successors and assigns (collectively, "Landlord Parties"), shall have the right to enter the Leased Premises at any time Landlord deems necessary, to alter, modify, augment, supplement, improve, upgrade, use, operate, repair, replace, install, construct, maintain or protect Landlord's Facilities. Landlord has the right to require Tenant to remove and relocate any paving, improvements or property owned or used by Tenant at the Leased Premises, in connection with the use, operation, maintenance, repair, installation and/or removal of Landlord's Facilities by any Landlord Party, and/or or in connection with any other use (present or future) of the Leased Premises by Landlord Parties, all of which removal and relocation shall be at Tenant's sole cost and expense. In the event that Tenant fails to remove and/or relocate any such paving, improvements or property upon notice from Landlord, then Landlord shall have the right (but not the obligation) to remove such paving, improvements or property on Tenant's behalf, and at Tenant's cost, and Tenant shall promptly reimburse Landlord for any costs and expenses paid or incurred by Landlord in connection therewith. Tenant agrees that it will cooperate with Landlord in connection with any entry on, and work at, the Leased Premises by Landlord Parties, and shall coordinate Tenant's use of the Leased Premises with any use of the Leased Premises by any of Landlord Parties. Landlord shall not in any event be liable for inconvenience, disruption, disturbance, loss of business or other damage to Tenant by reason of any entry on, or work at, the Leased Premises by any Landlord Party, or on account of bringing materials, supplies, and equipment into or through the Leased Premises. Tenant understands that the business of Landlord involves, among other things, the construction, installation, maintenance, operation, and use of Landlord's Facilities now

or which may hereafter be erected or installed upon, along, on, over, across or under the Leased Premises, or property adjacent thereto, which are used or useful in connection with the generation, conversion, transmission or distribution of electricity and gas and communications services. Tenant covenants and agrees (as a specific condition of this Lease) that Tenant and each member of the Tenant Group will not, under any circumstances whatsoever, touch, handle, tamper with or contact, directly or indirectly, any of Landlord's Facilities, nor damage, destroy, interfere with, obstruct or otherwise adversely affect, Landlord's Facilities. Tenant hereby acknowledges that the Leased Premises may be used from time to time to accommodate equipment and facilities of other persons and/or entities (including, without limitation, pipeline and utility companies) which are (or will be) located on, above or below the surface of the Leased Premises. Tenant agrees that it will contact any such persons and/or entities holding rights to use and/or occupy the Leased Premises, and provide the proper protection required by such persons or entities, in connection with Tenant's use and occupancy of the Leased Premises. Tenant further agrees to furnish Landlord copies of the correspondence between the any such persons or entities and Tenant. Tenant agrees that this requirement shall apply to any installations currently located at the Leased Premises and any and all future installations within the Leased Premises.

27. LANDLORD'S RIGHT TO TRANSFER. This Lease shall not in any manner or to any extent limit or restrict the right of Landlord to use or dispose of the Leased Premises as Landlord may in its discretion desire, subject to rights of Tenant hereunder. Landlord shall have the right, without notice to or consent from Tenant, to assign this Lease to any person or entity who succeeds (directly, indirectly or by operation of law) to any of Landlord's right, title or interest in or to the Leased Premises.

28. TENANT'S PROPERTY. It is expressly understood and agreed that all equipment and other personal property that Tenant may install upon the Leased Premises during the Term shall remain the property of Tenant and shall be removed by Tenant (as set forth in Section 8 hereof), at its sole cost and expense, at the expiration of the term of this Lease or at any time prior thereto.

29. HOLDING OVER. Tenant shall have no right to remain in possession of all or any part of the Leased Premises after the expiration of the Term is renewed in accordance with the terms and conditions contained in this Lease. In the event that Tenant remains in possession of all or any part of the Leased Premises after the expiration or earlier termination of the Term, at Landlord's option (exercised by giving Tenant written notice): (a) such tenancy shall be deemed to be either (at Landlord's sole option) a periodic tenancy from month-to-month only, or a tenancy at sufferance terminable at will by Landlord, or a renewal of this Lease for an additional (1) year term; (b) such tenancy shall not, unless Landlord otherwise elects (as set forth above), constitute a renewal or extension of this Lease for any further Term; and (c) such tenancy may be terminated by Landlord upon the earlier of thirty (30) days' prior written notice or the earliest date permitted by law. In the event Tenant remains in possession after the expiration or earlier termination of the Term, then: (i) monthly Base Rent shall be increased to an amount equal to two hundred percent (200%) of the monthly Base Rent payable during the last month of the Term, and any other sums due under this Lease shall be payable in the amount and at the times specified in this Lease, and (ii) Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold the Indemnified Parties harmless from and against any and all Losses and Claims sustained, incurred and/or brought against any of the Indemnified Parties by reason of such retention of possession of the Leased Premises (which may include, without limitation, any Claims made by any actual or prospective subsequent lessee or other user or occupant of the Leased Premises or any portion thereof). Any such month-to-month tenancy or tenancy at sufferance shall be subject to every other term, condition, and covenant contained in this Lease.

30. SUBORDINATION; ESTOPPEL.

(a) This Lease and the rights of Tenant hereunder shall be and are hereby made expressly subject and subordinate at all times to the lien of any mortgage now or hereafter existing against all or any portion of the Leased Premises. Tenant acknowledges that its title is and always shall be subordinate to the title of the owner of the Leased Premises and nothing herein contained shall empower Tenant to do any act which can, shall or may encumber the title of the owner of the Leased Premises. In confirmation of such subordination, Tenant shall promptly execute and deliver any instrument that Landlord or any mortgagee of Landlord may request to evidence such subordination no later than ten (10) business days after Landlord's request therefor. If any mortgagee of Landlord (or its successors or assigns), or any other person or entity, shall succeed to the rights of Landlord under this Lease, whether through possession or foreclosure action or delivery of a new lease or deed, then at the request of such party so succeeding to Landlord's rights ("Successor Landlord") and upon Successor Landlord's written agreement to accept Tenant's attornment, Tenant shall attorn to and recognize Successor Landlord as Tenant's Landlord under this Lease, and shall promptly execute and deliver any instrument that Successor Landlord may reasonably request to evidence such attornment. Upon such attornment this Lease shall continue in full force and effect as, or as if it were, a direct lease between Successor Landlord and Tenant upon all of the terms, conditions and covenants as are set forth in this Lease and shall be applicable after such attornment.

(b) Tenant agrees, at any time and from time to time, as requested by Landlord, upon not less than ten (10) days' prior notice, to execute and deliver to Landlord a written statement executed and acknowledged by Tenant, (i) stating that this Lease is then in full force and effect and has not been modified (or if modified, setting forth all modifications), (ii) setting forth the then current Base Rent, (iii) setting forth the date to which the Rent (including Base Rent) has been paid, (iv) stating whether or not, to the best knowledge of Tenant, Landlord is in default under this Lease, and if so, setting forth the specific nature of all such default, (v) stating whether there are any subleases affecting the Leased Premises, (vi) stating the address of Tenant to which all notices and communication under the Lease shall be sent, and the Commencement Date, and (vii) containing any other matters reasonably requested by Landlord. Tenant acknowledges that any statement delivered pursuant to this paragraph may be relied upon by others with whom Landlord may be dealing, including any purchaser or owner of the Leased Premises, or of Landlord's interest in the Leased Premises or any lender or mortgagee of Landlord. If Tenant fails to execute and return such written statement to Landlord within such ten day period, such failure shall constitute Tenant's agreement as to the accuracy of the information contained in the written statement submitted to Tenant by Landlord.

31. MISCELLANEOUS.

(a) Illinois Commerce Commission Approval. Landlord and Tenant acknowledge that Landlord is a public utility regulated by the Illinois Commerce Commission ("Commission") and other governmental authorities, and this Lease and the obligations of the parties hereto are subject to all Legal Requirements applicable to Landlord as a public utility. Although it is not expected that the Commission's or other governmental authorities' approval will be required for this Lease, the rights and obligations of the parties hereunder are conditioned upon the Commission's and any other applicable governmental authorities' approval of this Lease, under any circumstances in which such approval is required. It is further agreed and understood that this Lease may be terminated by Landlord immediately at any time in the event that Landlord is required to do so by the Commission or some other governmental authority.

(c) Prohibition on Recording. To the maximum extent permitted under Legal Requirements, Tenant agrees not to record this Lease. This Section will survive the termination or expiration of this Lease.

(d) Waiver of Jury Trial. Landlord and Tenant, by this Section, waive trial by jury in any action, proceeding, or counterclaim brought by either of the parties to this Lease against the other on any matters whatsoever arising out of or in any way connected with this Lease, the relationship of Landlord and Tenant, Tenant's use or occupancy of the Leased Premises, or any other claims, and any emergency statutory or any other statutory remedy.

In the event that Tenant is comprised of more than one individual or entity, the obligations of such individuals or entities under this Lease shall be joint and several.

(g) Entire Agreement. This Lease, the exhibits and addenda, if any, contain the entire agreement between Landlord and Tenant regarding the subject matter hereof, and fully supersede all prior

written or oral agreements and understandings between the parties pertaining to such subject matter. No promises or representations, except as contained in this Lease, have been made to Tenant respecting the condition or the manner of operating the Leased Premises.

(h) Further Assurances. Each party agrees that it will execute and deliver such other documents and take such other action as may be reasonably requested by the other party to effectuate the purposes and intention of this Lease.

(i) No Waiver. The failure of either party to enforce at any time any provision of this Lease shall not be construed to be a waiver of such provision, nor in any way to affect the validity of this Lease or any part hereof or the right of such party thereafter to enforce each and every such provision. No waiver of any breach of this Lease shall be held to constitute a waiver of any other or subsequent breach.

(j) No Third Party Beneficiaries. Landlord and Tenant agree and acknowledge that, except as expressly set forth herein, there are no intended third party beneficiaries of this Lease nor any of the rights and privileges conferred herein.

(k) Governing Law; Venue. The terms and provisions of this Lease shall be governed by and construed in accordance with the laws of the State of Illinois. With respect to any suit, action or proceeding relating to this Lease (each a "Proceeding"), the parties hereto each irrevocably: (a) agree that any such Proceeding shall be commenced, brought, tried, litigated and consummated in the courts of the State of Illinois located in the County of Cook or (as applicable) the United States District Court for the Northern District of Illinois, (b) submit to the exclusive jurisdiction of the courts of the State of Illinois located in the County of Cook and the United States District Court for the Northern District of Illinois, and (c) waive any objection which they may have at any time to the laying of venue of any Proceeding brought in any such court, waive any claim that any Proceeding brought in any such court has been brought in an inconvenient forum, and further waive the right to object, with respect to such Proceeding, that any such court does not have jurisdiction over such party.

(l) Counterparts. This Lease may be executed by the parties in counterparts. Each such counterpart shall be deemed an original and all such counterparts, taken together, shall constitute one and the same agreement.

(m) Subordinate. This Lease, and all of Tenant's rights and interests hereunder, are subject and subordinate to any and all recorded and unrecorded easements, licenses, leases and permits, and all other matters (whether recorded or unrecorded) affecting the Leased Premises (or title thereto) dated prior to the date of this Lease.

(n) Severability. If any term, provision or condition in this Lease shall, to any extent, be invalid or unenforceable, the remainder of this Lease (or the application of such term, provision or condition to persons or circumstances other than in respect of which it is invalid or unenforceable) shall not be affected thereby, and each term, provision and condition of this Lease shall be valid and enforceable to the fullest extent permitted by law.

(o) Time of the Essence. Time is of the essence of this Lease, and each and every term and provision hereof.

(p) No Partnership. None of the terms or provisions of this Lease shall be deemed to create a partnership between or among the parties hereto in their respective businesses or otherwise, nor shall any of the terms or provisions of this Lease cause them to be considered joint venturers or members of any joint enterprise.

(q) Not an Employee. By signing this Lease, Tenant affirms and states that it is not an employee of Commonwealth Edison Company nor Exelon Corporation, nor any of their respective parents, subsidiaries or affiliates, nor does Tenant have any affiliated interest in any such entities.

(r) No Oral Change. This Lease cannot be changed orally or by course of conduct, and no executory agreement, oral agreement or course of conduct shall be effective to waive, change, modify or discharge it in whole or in part unless the same is in writing and is signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

(s) Tenant's Authority. Tenant represents and warrants that it has full right, power and authority to execute and deliver this Lease, and to perform each and all of its duties and obligations hereunder. If Landlord so requests, Tenant shall provide Landlord with reasonable written evidence of such right, power and authority.

(t) Termination of Lease Based Upon Change In Law. If any Legal Requirement is enacted or modified during the Term, and such enactment or modification places any additional material burden on Landlord (as determined by Landlord) as a result of Tenant's use or occupancy of the Leased Premises for any purpose, or if the use of the Leased Premises by Tenant would violate any Legal Requirements hereinafter enacted or modified, then (without limiting any other rights or remedies of Landlord hereunder) Landlord shall have the right to terminate this lease effective as of the effective date of such Legal Requirement is so enacted or modified.

(u) Negotiated: The parties acknowledge that the parties and their counsel have reviewed and revised this Lease and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party shall not be employed in the interpretation of this Lease or any exhibits or amendments hereto.

(v) Brokers. Tenant represents and warrants to Landlord that Tenant has dealt with no broker, finder or similar person or entity in connection with this Lease, or Tenant's use or occupancy of the Leased Premises. Tenant agrees to indemnify, defend (with counsel acceptable to Landlord) and hold Landlord harmless from and against any and all Claims and Losses brought against, sustained or incurred by Landlord by reason of Tenant's breach of the foregoing representation and warranty.

(w) Confidentiality. Tenant acknowledges and agrees that the terms and conditions of this Lease, including, without limitation, the Rent, and all other books, records, documents, files and other information, whether computerized, written or oral, pertaining to Landlord, Landlord's affiliates or the Leased Premises which was or shall be provided to Tenant from the negotiations of this Lease throughout the Term of this Lease (collectively, "Confidential Information") is nonpublic, confidential or proprietary relating to Landlord, its business operations and the Lease Premises, and that Landlord would be irreparably damaged if Tenant's confidential knowledge of such information were disclosed to or utilized on behalf of any other person, firm, corporation or any other tenant of Landlord. Tenant agrees that any Confidential Information provided to Tenant is, and shall remain, property owned by Landlord, and Tenant shall have no right in or to such information other than to use the Confidential Information for the purposes set forth in the Lease. Tenant agrees to keep confidential and agrees to cause its respective employees, associates, agents, attorneys and advisors to keep confidential any and all Confidential Information.

(x) Additional Requirements. Tenant shall comply with the Additional Requirements listed on Exhibit E attached hereto and made a part hereof.
